

Paultons Park 2022 - Badge Design Competition

Hampshire Beavers are visiting Paultons Park in October 2022 and we want an amazing badge to remember it. The badges will be able to be worn by all visitors on our trips so will help create great memories!

The design should be bright and colourful. Really use your imagination! Designs must be received by 31st August.

Tips!

- Make it bright and colourful!
- Not too detailed, clear images work best
- Use your imagination, wild creative designs are great
- Fill the whole shape, you can go over the lines but only what is inside will be on the badge.
